

EXPRIVIA WON THE IMPLEMENTATION OF THE ADMINISTRATIVE INFORMATION SYSTEM OF ACCOUNTING SO.RE.SA NOW FOR REGION CAMPANIA

CLARIFICATIONS RELATED TO THE LOAN GRANTED TO THE PARENT COMPANY ABACO INNOVAZIONE

October 22, 2013. Exprivia - IT company listed on the STAR segment of the Italian Stock Exchange [XPR.MI - has signed a jointly contract (RTI, Raggruppamento Temporaneo di Impresa), for the development of the accounting and administrative information system of SO.RE.SA , Società Regionale per la Sanità della Regione Campania.

The project, is part of a control program, rationalization and planning of health care spending, and involves the design and development of an integrated system based on SAP ERP platform for centralized management of administrative processes and the entire accounting purchasing process of the regional health service entities.

SAP is the world leader in ERP systems for the integrated management of complex organizations both public and private.

The total contract amount is 1.9 million Euro of which 70% is in charge of Exprivia. The contract will run for 36 months.

The integrated information system will support Regione Campania in the automation of all business processes and , thanks to the integration of data from different local health care entities, will allow for the monitoring of the overall health spending.

"The award of this contract so important and complex confirms the Exprivia leading role in the most advanced solutions in the healthcare business." Said Pierfilippo Roggero , CEO of Gruppo Exprivia . "Our group , which has always stood for the quality of products and the reliability and efficiency of services, both in the hospital and public services regional levels, have now added the Healthcare company of Regione Campania to the more than 250 national and international healthcare organizations and institutes that constitute its prestigious customer base."

CLARIFICATIONS RELATED TO TWO LOANS GRANTED TO THE PARENT ABACO INNOVAZIONE

With reference to the press releases of last April 23 and October 15, the Company intends to provide further clarification with respect to two tranches of a loan granted to the parent company Abaco Innovazione SpA, of Euro 400,000.00 each, in April and October 2013.

The parent company Abaco Innovazione SpA , which held 48.52 % of the Company, approved the 18 April 2013, in the ordinary shareholders' meeting, the financial statement of 2012 and the proposal of the Board of Directors of the controlled company Exprivia SpA to not distribute dividends of Euro 2.6 million and allocate it to equity reserves in order, too, to enable the Company to improve its overall financial indexes, to continue the productive investment and expansion in foreign markets and to realize a project of

simplification and reorganization of Gruppo Exprivia and its chain of control (see press release of April 23) involving the same parent company.

In order to complete the definition of such a project, and for guaranteeing the necessary financial support during the course of its implementation, the parent company Abaco Innovazione requested the Company the two funds mentioned above.

The requested funding were approved by the Board of Directors of Exprivia SpA under the following conditions: repayment within 18 months after any release, at the rate of six-month Euribor plus 500 bps, that is the market rate used in the internal cash pooling of Gruppo Exprivia.
