

EXPRIVIA AND DEVOTEAM PARTNER TO BUILD A MARKET LEADER OF IT SERVICES FOR TELECOMMUNICATIONS AND MEDIA IN ITALY.

EXPRIVIA SPA ACQUIRES DEVOTEAM AUSYSTEM SPA WITH THE GOAL TO EXTEND THE RANGE OF ITS HIGH VALUE ADDED SERVICES.

February 11, 2014. Exprivia has signed a binding contract for the acquisition from the French group Devoteam, 100% of the share capital of **Devoteam auSystem Spa**, operating in the Italian market for over 15 years as a leading IT services company in Telecommunications and Media, serving leading international operators and equipment manufacturers.

Devoteam auSystems Spa, created in 1999, has developed know-how, sharp expertise and capabilities, to suit its large international clients. It offers its services delivered through centres of excellence, at Milano, Roma, Genova, Palermo, in the field of embedded systems, telecommunication networks, OSS systems, next generation networks (NGN), mobile applications, M2M solutions.

Devoteam auSystem Spa generated Euro 16 million in revenues in 2013 with 250 employees. This acquisition, in line with Exprivia's business plan 2010-2013, allows Exprivia to continue the international development of the Group and to specialize in new specific verticals. On the other hand, this project allows auSystems to lean on a bigger player in Italy that is present in other verticals.

The closing of the transaction is subject to customary conditions and is expected in the first half of April 2014. More details will be disclosed at closing.

*"The telecommunications market is undergoing a period of deep transformation," says **Domenico Favuzzi, president and CEO of Exprivia.** "After the investments incurred for the acquisition of licenses of LTE for the development of fourth generation networks (4G), the operators have announced a massive investment plan for the next two years to expand the networks and differentiation of services, in order to offer their customers the benefits of technological evolution of Smartphone, Tablet, PDA and digital devices of new generation. Thanks to the acquisition of Devoteam auSystems, Exprivia intends to become a reference player to support telecommunications customers in the process of adopting new mobile technologies able to enable radical transformation of production processes and business."*

*"We are convinced that the combination of our very experienced teams with a stronger local player such as Exprivia is the best solution to address the consolidating telecommunications market in Italy. We also hope that this will be the beginning of a wider collaboration between our companies, notably in the field of our strategic offering focused on Network transformation", states **Stanislas de Bentzmann, co-CEO of Devoteam.***
