

AISoftw@re SpA, listed on EASDAQ, starts the procedures for a further issue of new shares at the Italian stock market Nuovo Mercato

The operation partners: **FLEMINGS** as sponsor and global coordinator, **TWICE SIM** as lead manager for retail sale, ANTEA corporate communication as communication advisor

Milan, 9th March 2000

AISoftw@re SpA, IT company that develops advanced Internet solutions, listed on EASDAQ market since 23rd November 1999, announces it has started the procedures for a dual listing at the Borsa Italiana Nuovo Mercato by further issue of new shares.

AISoftw@re has chosen the partners for this operation: Flemings, who has already acted as a Global coordinator of the quotation at the EASDAQ market, will be the sponsor and global coordinator, while Twice Sim will manage the retail sale.

Antea will be the communication advisor.

"After the IPO at EASDAQ" - says Prof. Gardin, President and CEO at AISoftw@re - "we confirm Flemings and Twice Sim for the listing on the Nuovo Mercato. We decided to choose these partners because of the high standards of these organisations and the positive experience we had with them during our EASDAQ IPO"

AISoftw@re

Created in 1983, with a turn-over of 10,136 million Euro in 1998, AISoftw@re SpA is a company specialising in the development of Internet and Intranet highly innovative technological solutions to provide knowledge processing and data intelligence means to back up decision making behaviours.

The technical skills acquired in the operating of both their own products and distribution onto the related markets guarantee AISoftw@re a leadership position in software solutions offering for financial markets.

AISoftw@re has been quoted on the Easdaq Market since 23rd November 1999, and it has set out on the development program based on acquisition and entry into software-houses, operating in the development of Internet applications, as well as a policy of international expansion.

The company employs 100 people.

FLEMINGS

Flemings is present in 44 countries through its 70 offices and its over 8000 employees.

It is one of the main international merchant banks and it deals especially with Asset Management, Investment Banking and International Equity Securities.

Flemings' world wide success is due mainly to the following characteristics: international presence, high know how, high quality client support in the different markets, deep knowledge of local realities through its professional staff. Flemings has consolidated its presence on international markets through joint ventures, agreements and strategic partnerships, supplying services to large companies, governments, institutional investors and banks at an international level.

TWICE SIM

Twice Sim is the first full service online broker that operates via phone and via Internet.

It focuses especially on Capital Market.

It has 40 employees and has partners such as Comit, De Agostini and Intestitori Associati. In a few months SEAT Pagine Gialle will also enter the Twice Sim Group.

It has participated to AISoftw@re EASDAQ listing.

ANTEA

Antea is a communication company, which is the result of a partnership between Poligrafica San Faustino and Fox&W, a company that deals with Internet communication services.

Antea has a deep expertise in elaborating communication strategies, by integrating web marketing and other communication areas such as press office, public relations, corporate and financial advertising, media planning.
