

## PRESS RELEASE

### ***Exprivia has executed the acquisition of the Aurora Company Division belonging to the Siemens S.p.A Healthcare sector***

---

**28 May 2009.** With reference to the press release of 23th March 2009, we inform that today Exprivia SpA - *listed in the MTA Star segment of the Italian Stock Exchange (XPR.MI)* – has executed the acquisition of the Aurora company division of Siemens S.p.A. named "HS – Aurora Web - Progetti e soluzioni ospedaliere", with the underwriting of the contract thereof.

The acquisition will become operative starting from 1st June 2009.

The investment amounts to 2.160.000 Euro with a cash payment, drawing on the ordinary cash flow, therefore without the opening of a new line of credit .

### **EXPRIVIA**

Exprivia S.p.A is a company specialised in the design and development of innovative software technologies and the provision of IT services for banking, industrial, telecommunications, health and Public Administration markets.

Today, the company is listed in the MTA Star segment of the Italian Stock Exchange (XPR). The group has a total of about 1200 employees and consultants, and has operational offices in Molfetta (BA), Bari, Milan, Rome, Piacenza, Trento, Vicenza, Bologna and Madrid.
